I wanted to let you know that I received your summons for the [REDACTED] case scheduled for trial on 12/19 and that I also have a district case scheduled in New Bedford that day. Also, when I looked up the lab number given ([REDACTED]), I noticed that the defendant is listed as [REDACTED]. I'm guessing that [REDACTED] is part of the et al., but I am curious if [REDACTED] is the only evidence in this case as [REDACTED] also has [REDACTED] listed as the defendant. Thanks.
